BENOR

PRODUCT CERTIFICATE

BCCA declares that has been established that the **applicant**

**Gabbaplast SRL
Via Livornese est 197/a
I - 56035 Perignano (PI)**

takes the necessary measures in order to ascertain that the products:

**Pipes of polypropylene (PP) non-pressurized (PP)
for the diameter group D1**

manufactured in the factory located at:

**Gabbaplast SRL
Via Livornese est 197/a
I - 56035 Perignano (PI)**

may correspond with the performances described in the standard **NBN EN 1451-1**

**Plastics piping systems for soil and waste discharge (low and high
temperature) within the building structure - Polypropylene (PP)
and the PTV 1008**

The certificate is delivered based on a study and an acceptance of the relevant **initial type tests (ITT)**, executed on relevant samples taken from the production unit and on bases of an initial inspection of the production and the **factory production control system (FPC)**.

BCCA confirms that the manufacturer applies a valid production control system and executes regular testing on samples taken from the production according to a fixed testing program. BCCA supervises the production and the production control system during the yearly audit of the FPC, periodical control of the internal control results and witness-testing.

On bases of the delivery and the maintenance of this certificate, the manufacturer is authorized to use the BENOR-logo as a means to attest the conformity of his products.

This certificate is valid during the period mentioned left side of this document, provided that the specification of the standard and the regulatory conditions are not modified.
